

Avalon ISD Infrastructure Certification

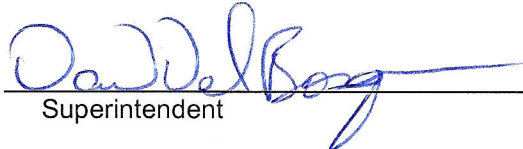

Project Title: Modernization, Renovation or Repair of Facility

Project Description: An existing portable classroom at the elementary campus will have a wall installed to double the number of classrooms and the elementary hallway and the cafeteria that is also used to teach art/music classes will have energy-efficient doors installed.

Total Cost of Project - \$11,736.16

Amount funded with SFSF - \$11,000

Certification Statement: This project has been completed with the full review and vetting required by law and I as the Superintendent accept responsibility that the infrastructure investment is an appropriate use of taxpayer money.

Signature:  Date: 3/25/10
Superintendent
